

MADFIDDLE AUDITIONS

What can i expect at the audition?

The audition is an opportunity to demonstrate player development and determine appropriate group placement. Students perform a piece in any genre (3 min max), followed by ear assessment exercises (does not require advance preparation) and a coaching session. The length of the audition is 20-30 minutes. For parents, an optional phone meeting is recommended to answer additional questions. The cost of the audition is \$25.

How much playing experience is needed to join?

MadFiddle develops players ages 6-18 and currently supports 6 ensembles. Some playing experience is necessary at the entry-level and students are required to have a private teacher.

Why do players love playing in MadFiddle?

With an emphasis on learning by ear and intergenerational performance, MadFiddle fosters a community and culture that encourages music making with peers and having fun.

What makes MadFiddle unique?

MadFiddle is a youth fiddle program that explores folk music from around the world and performs concerts with a backing band. Weekly rehearsals are supplemented with an online learning platform that provides adaptability for different learning styles at home. The program is directed by Shauncey Ali.

Audition results reserve a spot for the '24-'25 season that runs September through May.
